Try Something New and Exciting for the New Year

Introducing

We're All Neighbors

Meal Kits

Take one home for free!

The Whitehall Public Library is hosting an opportunity to showcase traditional dishes prepared by some of our newest neighbors who have moved here from other countries.

The library received funding to prepare a variety of meal kits and we have filmed video of neighbors preparing each dish!

Inside you'll find:

- Recipe
- Shelf-stable ingredients
- Access to the online video

Take home something delicious today, you'll be glad you did!

Our current featured meal kit is:

Jollof Rice

from

West Africa

Check back regularly during the coming months for additional kits featuring meals from other cultures.
